

AAMRI 2026

International Symposium: Advanced Analytical Methods in Research & Industry

April
27

27-28 Apr 2026 Tunis (Tunisia)

The Penthouse Hotel

ORGANISED BY

Laboratory of Materials, Treatment and Analysis
(LMTA, INRAP, Tunisia)

IN PARTNERSHIP WITH

Ankara University, Faculty of Pharmacy, Dep. of Analytical
Chemistry (AU, Türkiye)

IN COLLABORATION WITH

Tunisian Association for Scientific Information (ATIS, Tunisia)

International Symposium:

Advanced Analytical Methods in Research & Industry

April 27-28, 2026 | Tunis, Tunisia

About

AAMRI-2026 symposium will bring together researchers and industry professionals to discuss recent advances in analytical sciences and their applications.

Key Topics

Analytical Chemistry & Separation Sciences/ Electroanalytical Chemistry & Biosensors/Sample Preparation & Extraction/ Pharmaceutical & Biomedical Analysis/ Materials & Nanomaterials for Analysis

Applications

Pharmaceuticals • Biomedicine • Food Safety • Environmental Monitoring • Forensic Toxicology

Important Dates

Abstract Submission: 29/03/2026

Acceptance Notification: 15/04/2026

Early Registration: 28/02/2026
